

The steps below will walk you through registering your new website domain name and pointing it toward your Norvax site by using the automated registration process on StarGate.com.

1. First, open your web browser and direct it to: <http://www2.stargate.com/domainforward.php>

2. Next, type in the domain name that you would like to purchase into the box provided and place a check mark next to “Buy Domain Forwarding at USD 1.00 | Year”. (Figure 1)

Figure 1.

3. The next screen will prompt you to Login or create an account on StarGate.com. If you have purchased services through StarGate before then you can simply enter your username and password into the spaces provided and click “Login Now”

Otherwise, if you have never purchased anything through Stargate.com before then proceed to the “New Customer Form” and fill out all necessary information.

Once you have completed the form, click “Submit”

4. You will now be presented with a list of the current products in your shopping cart. You will now need to select “Domain Names” from the drop-down menu under the heading “Continue Shopping” (Figure 2).

Click “Go” to continue.

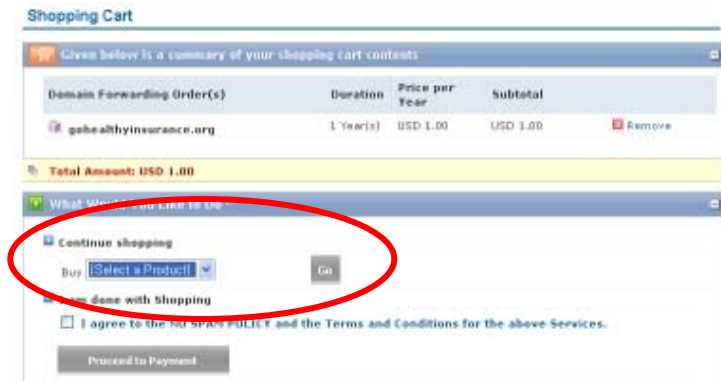

Figure 2.

5. Next, type in the domain name you are selecting into the "Search for Domain Names" dialog box. (Figure 3.)

Click "Search" to continue.

Figure 3.

3. You will be presented with a list of available domain names that either match or are similar to the one you requested. The pricing for each domain will be listed to the right. (Figure 4).

Place a checkmark next to any of the domains you would like to purchase and click "Add To Cart" to place the domain name in your shopping cart.

Figure 4

5. You will now receive a screen with additional domain name suggestions that will ask you if you would like to add any additional domains to your order. (Figure 5)

If you would like to add any of the suggested domain names to your purchase then simply place a check mark next to them and click "Add these to my shopping cart". Otherwise, click "No Thanks. Proceed Further."

Figure 5

Domain Registration

6. The next screen will prompt you to choose the amount of time that you would like to keep this domain registered (Figure 6). Select the number of years by clicking on the drop-down menu next to your domain name.

Click "Continue"

Figure 6

7. The next screen will prompt you to add a hosting plan to your registration. Simply click the button labeled "No Thanks, Continue" to move on.

8. You will now be prompted again with your shopping cart summary. This time, simply place a checkmark next to "I agree to the NO SPAM POLICY and the Terms and Conditions for the above Services" and click "Proceed to Payment"

9. On the next screen, select "Credit card payment Gateway" from the drop-down menu in the "Payment Options" box. (Figure 7)

Click Continue.

Figure 7

10. You will now be prompted for your billing and credit card information. Enter the required information and click "Process Secure Payment" to move on.

11. Once the payment has been completed, you will receive a confirmation screen showing you the purchases you made. Now we will need to complete the domain forwarding. To do so, click "My Account" in the box located in the upper-right corner of the page. (Figure 8.)

Figure 8

12. A new window will open with your StarGate admin area. From here, select "List last 10" from the "Domains" menu. (Figure 9)

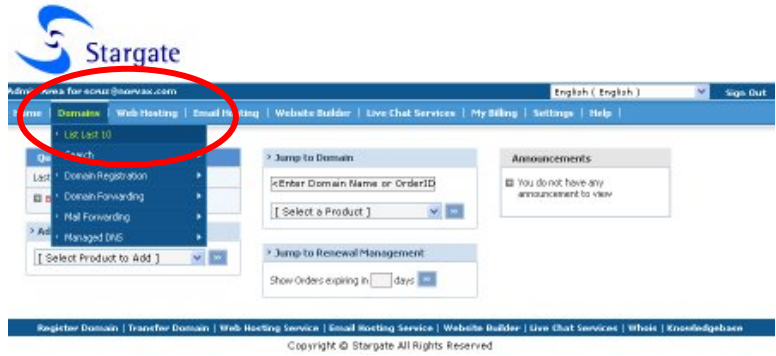

Figure 9

13. Locate your domain in the "List of Domains" section and click the link labeled "Domain Forwarding – Click To Manage" (Figure 10)

List of Domains		
Sr No	Domain Name	Services
1	gohealthyinsurance.org	<ul style="list-style-type: none"> Domain Name - Click To Manage >> Domain Forwarding - Click To Manage >> Mail Forwarding - Buy Now >> Managed DNS - Buy Now >>

Figure 10

14. Next, in the section labeled "Domain Forwarding – Order Details", click on the button labeled "Manage Service" (Figure 11)

Figure 11

15. Locate the field that asks for the URL where you wish to forward requests for your domain. (Figure 12). Type in [hosting URL] into the field provided.

Use the form below to manage your Domain forwarding Settings
 Enter the URL where you wish to forward requests for www.gohealthyinsurance.org and gohealthyinsurance.org
 Destination :

Figure 12

Also place a checkmark next to "Enable URL Masking" (Figure 13).

URL Masking (Optional)
 If you enable URL Masking, then visitors to gohealthyinsurance.org will be forwarded to the above destination website, however the URL in their browser address bar will remain the same. Also known as Stealth Redirection or URL Hiding, this will ensure that your visitors see the original domain name and not the destination URL. Use the checkbox below to Enable or Disable URL Masking.

Enable URL Masking

Figure 13

Click the "Manage" button at the bottom of the page to continue.

16. You will now be returned to the previous page. From here, click the button that says "Domain Registration" (Figure 14)
